The Board had informed in the meeting that the proposal of the State for release of construction grant could not be approved as the grant may not be utilized during financial year 2015-16. However, once the Homes are functionalized, the construction grant will be released during the next financial year 2016-17. The fund will be released on the basis of 60:40 by Govt. of India and the State government respectively.

8. Accordingly, she has proposed for construction of buildings in some places where the department has its own buildings/ sites and in some places to start the Children Homes in rented buildings. Further stated that the Govt. of India have not yet released the amount during the current financial year 2016-17, but if the State Government accords permission to start the homes, they can start functioning of the Homes and communicate the information to the Govt of India along with the PWD estimates for release of recurring, non-recurring and construction grants. She has therefore requested for necessary permissions to establish and run the seven (7) additional Children Homes.
